

Upstream Learning Preschool Summer Sprinkler Splash Days

Summer means Upstream Learning SPLASH Days are here!

All students that wish to participate in our water fun should:

- **WEAR** their swimsuit to school
 - Apply **sunscreen at home** so that it has time to sink in prior to arrival at school!
 - **Bring a towel and shoes** that can get wet
- Parents please make sure to send a **change of clothes** including **shoes** for your child to change into after splash time is over!

Our splash times will be in the morning beginning at 8:30 AM and will stagger through the early morning due to the increasing temperatures!

There will be no standing water...it will be sprinkler fun for safety!

Please sign and return the permission slip below if it is okay for your child to participate in our Sprinkler Splash Days at Upstream Learning.

Specific dates will be communicated via Remind or student notes home!

Sprinkler Splash Days Permission Slip

My son(s)/daughter(s) _____
has(ve) my permission to participate in Sprinkler Splash Days for Summer 2020.
